Subject: GWAPT 2-Hour Exam Appointment Reminder

Dear Yasser,

This message is a friendly reminder regarding your GWAPT 2-Hour Exam (7625660) scheduled to be proctored at PSU Pearson VUE Testing Center on November 20th, 2019 at 10:00 AM Local Time.

**** Please print this Exam Appointment Confirmation and bring it with you to your exam appointment.****

Please arrive at the testing center 15 minutes before your exam is scheduled to begin. This will give you adequate time to complete the necessary sign-in procedures. Please review the GIAC Candidate Rules Agreement (<https://home.pearsonvue.com/Clients/GIAC/GIAC-Candidate-Rules.aspx>) prior to your exam appointment. Upon arrival to your exam appointment, the testing center will capture your photo and digital signature as your acknowledgement of the rules. If you have previously attempted a GIAC exam at a Pearson VUE testing center, your photo and digital signature on file at Pearson VUE will be compared to the photo and signature on your IDs to verify a match. If you arrive more than 15 minutes late and are refused admission or miss your exam appointment completely, you will forfeit your exam appointment and be charged a \$150 seating fee if you wish to schedule a new exam appointment.

At all times, two (2) forms of personal ID are required in order to attempt an exam at a Pearson VUE testing center. There are no exceptions to this policy under any circumstances. The two (2) forms of personal ID must be issued by the country in which you are testing. Otherwise, a passport from your country of citizenship is required as your ***primary*** form of ID in addition to a second form of ID. IDs must be current (not expired) and original (no photo or digital copies). Your primary ID requires your first and last name, your photo and your signature. Your secondary ID requires your first and last name and either your photo or your signature. Detailed Pearson VUE Identification requirements may be found at <https://www.giac.org/media/exams/testing-centers/Pearson-VUE-ID-Policy-1S.pdf>. Your first and last names associated with your exam appointment **MUST** match your IDs. If they do not, please refer to pg. 16 of How to Schedule your GIAC Exam (<https://www.giac.org/media/exams/testing-centers/schedule-exam.pdf>) for instructions to change the name associated with your exam appointment to match your IDs. If you arrive at the testing center and your first and last names do not match your IDs, you will not be permitted to take your exam and will be charged a \$150 seating fee if you wish to schedule a new exam appointment.

Military Testing Centers: Any testing center with 'Military' or 'DoD' in the name indicates a U.S. military installation. Any candidate that schedules an exam at a testing center with 'Military' or 'DoD' in the name must provide a U.S. military ID or be turned away and charged a \$150 seating fee if a new appointment is to be scheduled.

GIAC exams are open book format. Workstation space may be very limited, so please plan accordingly. You may bring an armful of hardcopy books and notes into the testing room. However, hardcopy reference materials having the appearance of practice test and/or exam questions and answers are strictly prohibited.

You will be provided with the following: a computer to access the exam, an erasable note board and pen, and an onscreen calculator, should you need one during the exam.

GIAC exams are not open internet or open computer. You will not be able to access anything stored electronically on any computer during the exam such as PDF or Word documents. Electronic devices including but not limited to extra

computers, CD-ROM, USB flash drives, cell/smart phones, watches and cameras are strictly prohibited from being accessed during the exam. All other personal belongings are not permitted into the testing room. This includes personal writing implements, wallets, purses, hats (and other head coverings), bags and coats. Weapons are not allowed on testing center premises. Please leave weapons (guns, knives, etc.) at home or stored securely in your vehicle.

During your exam, if you encounter:

- Distractions/disruptions - notify your proctor immediately. Examples:
 - * Noisy environment (Other candidates and a moderate noise level should be expected in the testing room. Earplugs or noise canceling headphones may be available upon request.)
 - * Uncomfortable room temp
- Technical difficulties - notify your proctor immediately **

Examples:

- * The system crashes
- * You lose connectivity
- Non-technical difficulties - note your concerns in the comments section at the end of your exam and/or follow the GIAC grievance procedure at <http://www.giac.org/grievance/> after your exam.

Examples:

- * Feedback about an exam question
- * Failed exam dispute

** Please note that in the event of a technical difficulty, GIAC has an exam feature with an auto-sense capability to detect disruptions and abnormal latency during exam delivery. The exam clock, which indicates the exam time remaining, will automatically adjust to account for anomalies.

If you wish to cancel or reschedule your exam, you must do so at least one business day (24 hours) prior to your exam appointment by following the procedure outlined on pg. 15 in How to Schedule your GIAC Exam (<https://www.giac.org/media/exams/testing-centers/schedule-exam.pdf>). If you need to cancel or reschedule your exam less than 24 business hours in advance or do not show for your scheduled exam appointment, you will be charged a \$150 seating fee if you wish to schedule a new exam appointment.

If you have any questions or need further assistance, please call +1(301)

654-7267 or email proctor@giac.org as soon as possible so that your inquiry can be addressed well in advance of your scheduled exam appointment.

Sincerely,

The GIAC Certification Program
